on September 26, 2007 @ 1125 pm @ fox lake police department

I heidi louise kunz-kozik am writing the statement of my own free will.

On Monday august 6th 2007 he requested that I drive to several banks to check the layouts of them. We drove to two banks on grand ave first American. And the other is the bank next door to las palmas, (where I gave my phone number and first name along with my sister in laws maiden name to the woman I spoke with)..her name was toni and the final bank was national city in fox lake where I spoke with Sandra, and came back a few hours later after she had gotten off work for the day and asked another teller for her (sandra's) business card

On august 7th 2007,

In the morning he kept badgering me to drive him to a bank so that he could rob it and I repeatedly told him no until I got to the point that I couldn't handle it anymore and just gave in.

in the afternoon, I drove my husband mark c kozik and I parked behind the locksmith and hair shop next door to the fox lake branch of the national city bank. Drove my vehicle a silver four door 1995 grand prix, license plate # 667 9743

My husband mark c kozik got out of the vehicle and put on the wig and walked into the bank, he came out several minutes later and entered the rear passenger side and told me to drive.

When we got to his mothers house the grayslake police were sitting in the parking lot of the first Midwest bank and asked if we had any idea about a woman robbing a bank in fox lake.

I heidi louise kunz-kozik drove home to 7410 barry ave. and we got out of the car. He changed clothes and tossed the bag into the second bedroom upon entering the house and we left and drove to his mothers apartment in grayslake il. From there we drove home (7410 barry) and he dumped the bag out that had the money and gun inside it as I packed a couple of suitcases as we were supposed to go on our honeymoon in a few days. We left earlier than planned and came home a couple days later.

He stated that it was about 1200\$, that we took to the dells and paid for the hotel room for a few nights.

As of today September 26, 2007 I have no idea where the wig is that he used.
